**PETITION OF AT&T OF THE SOUTH CENTRAL STATES, LLC FOR  
EXPEDITED REVIEW OF CENTRAL OFFICE CODE DENIAL  
SUPPLEMENTAL FILING**

---

AT&T of the South Central States, LLC ("AT&T"), having filed a petition in the above captioned proceeding requesting a review of a number block application denial made by the Number Pooling Administrator ("NeuStar"), hereby supplements its petition to the Tennessee Regulatory Authority ("TRA"). It has been the determination, after joint consultation between TRA Staff, the customer (Deloitte), and AT&T, that, while the instant petition stands as requested, a recently acquired number block can be returned to the Number Pool upon receipt of numbers in this proceeding. Consequently, AT&T pledges to return to NeuStar the block of numbers recently acquired as an outcome of Docket No. 04-00103 conditioned upon receiving approval to acquire the number blocks herein requested.

AT&T respectfully requests this supplemental filing be entered into the record and be duly considered in the TRA's review of additional numbering resources. AT&T

appreciates the Staff's willingness to work creatively and cooperatively to satisfy the needs of this customer.

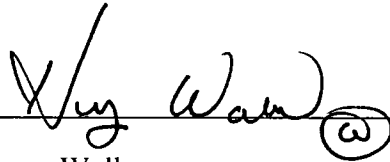

Respectfully submitted,

AT&T Corp.
